

quick-line®

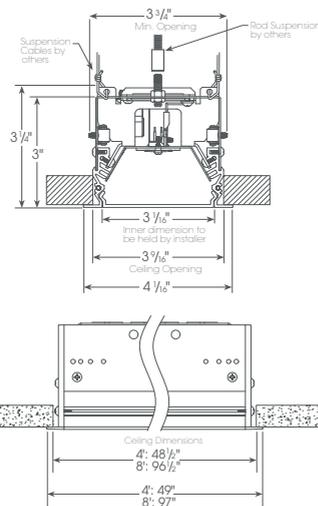

Off-the-shelf fixture delivers premium value in 72 hours.

The Quick-Line Recessed 4" and Quick-Line Pendant 1.5" are architectural-grade LED fixtures that deliver on the promise of speed, low cost and high quality. They expand the linear lighting family and are designed to eliminate availability and installation headaches. Sold in middle-of-run segments, Quick-Line is stocked on the shelf in standard lengths, standard color temperatures and standard power levels, which allows the product to ship in as little as 5 days. Constructed from extruded aluminum instead of steel, Quick-Line delivers outstanding light quality for more than 50,000 hours, assures architecturally straight lines of light and drops or hangs into standard grid or gyp ceilings.
