

Amerlux® promotes Victor Rispoli to Sales Director, Global Accounts

OAKLAND, N.J. --- Amerlux® CEO/President Chuck Campagna has announced the appointment of Victor Rispoli to Sales, Director of Global Accounts. Mr. Rispoli reports directly to John Mamo, who serves as Vice President of Sales, Global Accounts.

In his new position, he is responsible for working closely with global accounts, global account distributors and sales agencies that will help service them. In addition, Mr. Rispoli will lead solutions-based efforts while working with the product development team, manufacturing department, and customer representatives to develop innovative lighting solutions for these key market segments.

“Vic is a dynamic, results driven leader with a diversified expertise in sales management and strategic development,” said Chuck Campagna, Amerlux CEO/President. “The decision to appoint Vic to this position sends a strong message to our global customers that he will conduct his mission with an innovative entrepreneurial approach while developing creative cutting-edge solutions.”

Prior to joining Amerlux, Mr. Rispoli served as Director National Accounts for Regency Lighting, Inc. in Chatsworth, Calif., Vice President of Sales and Marketing for Triple A Supplies in Newburgh, N.Y., Director of National Accounts for GOJO Industries of Akron, Ohio, and Director of Sales Operation, Northeast Region for W.W. Grainger in Lake Forest, Illinois.

Mr. Rispoli received an MBA in Marketing and Management from St. Peter’s University. He also completed numerous educational programs in leadership, management, strategic sales and more.

About Amerlux LLC

Light is a visual force that surrounds us all, affecting every moment and aspect of our lives. Amerlux® understands the lumen/human connection and offers products that deliver innovative, creative solutions. Great lighting is so much more than harnessing watts and lumens. Done right, it guides our entire experience of life.

Amerlux speaks the language of light for design and construction professionals around the world by manufacturing a broad array of optically superior, energy efficient lighting solutions for the retail, supermarket, hospitality, commercial and exterior lighting markets. Amerlux products and services include track lighting, recessed downlighting and multiples, pendants, linear systems, and custom lighting solutions, as well as support for energy reduction plans that can be used as a guide to state, city and local utility rebate programs for maximum energy savings and utility incentives. The company's domestic and international clients receive the support of Amerlux's highly trained specification sales force, as well as expert service from initial design to on-time delivery made possible by strategically located manufacturing, warehousing and shipping locations. Discover how the right light makes all the difference at Amerlux.
