

It's a nice  
that we  
solutions that  
your lighting demands  
and  
results.

You may already know us as the leader in Supermarket High Profit area lighting, but what I'll bet you didn't know, is that Amerlux is the only manufacturer of LED track mounted accent lighting with Energy Star Approval. So, grab those local energy rebate dollars, reduce your overall energy consumption and maintenance cost; there's no quicker way to achieve your ROI.

Contour LED, crisp light with spectacular color and performance are available in an array of lumen output and beam distributions.

Schedule your energy audit today to see if you qualify to take advantage of your local utility rebate dollars. Please contact Don at [dknickerbocker@amerlux.com](mailto:dknickerbocker@amerlux.com).
