

It's time to upgrade your lighting.

Let Amerlux do the work for you.

Energy Star • 10-year warranty • Rebates

Getting the most out of your lighting and energy efficiency incentives can be confusing, frustrating and time consuming. Let Amerlux Energy Services Group remove the confusion, eliminate the frustration, and add utility incentives, rewards and guarantees you may have never imagined.

From initial walk-through to your incentive rewards check, we take care of everything: Energy audit and review, retro-fit design, product manufacture, installation – even the utility incentive paperwork, if you wish. Your Amerlux products are engineered and made in the USA, and you will receive a limited 10-year product warranty.

For more information on how we can make your systems better, smarter, and a lot more rewarding, call Amerlux Energy Services at **973.882.5010**. Or, visit us online at **amerlux.com**.
