

Design well Light well Feel well

If beauty and performance were soul mates, it would be Aerus.

Exceed the WELL Building Standard's UGR requirements with our signature, super thin indirect/direct linear fixture.

Aerus takes anidolic optics to the next level by delivering a wide soothing illumination that meets IES recommended light levels and UGR's comfort standards.

Fewer fixtures required, no power cord, mounts on 12" below the ceiling.

Take more control. Virtually eliminate glare and get the ultimate in ergonomics and wellness.

Make your workplace more personable.

Cast workers under their most productive, award-winning light—without the squint.

Get Aerus.
