

Fiato

Passively Cooled.

Delivers light. On target.

27W, 33W or 38W • 2,418 Lm • 32,600 CBCP

In selecting LED accent lighting, it is important to know that not all light actually hits its target. Fiato's enhanced center beam candle power (CBCP) ensures that more light reaches your products and displays.

C•B•C•P - is the luminous intensity at the center of a beam of light (center beam candle power).

Next time you are searching for LED accent lighting, make sure to check the CBCP of your fixture first, you'll be glad you did.
