

Create excitement *in every aisle*

64LS System: Available in 48" or 96" for use with T5, T5HO or T8. Choose from white, black or silver finish.

Accent Lighting from Amerlux: Select from a full line of LED and ceramic metal halide accent heads, available from 10W to 40W in multiple beam distributions.

Add instant impact to dry and paper goods aisles. The 64LS System from Amerlux allows you to add motion and photocell controls to maximize energy savings. The 64LS also enables alternating fluorescents with energy saving, low maintenance LED or ceramic metal halide accent heads.

Visit www.amerlux.com or call 973.882.5010 to find out how you can reduce operating costs and unleash the full potential of every aisle.
